

Service – Remembrance (Year B)

This is a suggested order of service for this week's resources. You are, of course, entitled to make any changes you wish to this. There are a set of PowerPoint Slides to match this service, but these, too, can be changed if you wish.

We assume that you have musicians who can play all the songs, but failing this videos of the songs are provided and there also alternative songs offered.

If you are using projection the Remembrance section is separate so that it can be used at any point during the service. Click on the poppy in the bottom right hand corner of any slide to go to the slides for the Act of Remembrance. When you come to the end of that part you will be returned to the original point in the main presentation. Make sure you download both sets of PowerPoint Slides and keep them in the same folder.

If you want to use a video for any of the songs then delete all but the first slide of the song, insert the video into the first slide and then stretch it to fit. The videos to "God is our strength and refuge" and "War, what is it good for?" are already inserted into the main presentation. The "British Conflicts since 1945" video is already inserted into the Remembrance presentation. If you don't want to use these then delete either the whole slide or the video on the slide.

If you are using any of the videos please ensure that these, too, are downloaded and save in the same folder as the presentations.
